AUSSIES MORE LIKELY TO BUY AUSTRALIAN

ROY MORGAN RESEARCH 2025

Australian market research firm Roy Morgan conducted a study in March 2025 to examine consumer attitudes toward purchasing Australian Made products

73%

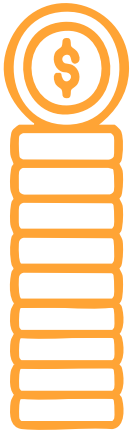

of Australians want to buy more Australian-made products to **reduce Australia's reliance on imports**

7 IN 10 AUSSIES ARE WILLING TO PAY MORE FOR AUSTRALIAN MADE PRODUCTS

50%

of Australians are willing to **pay at least 5% more** for Australian-made products

20%

of Australians are willing to pay at least 10% more for Australian-made products

IF EVERY AUSTRALIAN HOUSEHOLD SPENT AN EXTRA $10 A WEEK ON AUSTRALIAN MADE:

10,000
new jobs could be created in Australia

$5B
would be generated for Australia's economy

84%
of Australians are more likely to buy a product if they know its Australian Made

In the last 12 months,

63% of Aussies have been looking to buy more Australian-made products

In the next 12 months,

67% of Aussies intend to buy more Australian-made products

SOME OF THE BIGGEST BARRIERS TO PURCHASING LOCALLY-MADE PRODUCTS

- **COST OF LIVING**
- **UNCLEAR WHICH PRODUCTS ARE MADE IN AUSTRALIA**
- **LIMITED AVAILABILITY**
